Do you want your organization listed in the NBAA Member Directory? Yes No

Associate Membership: (If you are able to check this box, you *must* apply as an Associate Member. Or, if you do not qualify for Business or Corporate Membership, you may apply as an Associate Member.)

Your organization derives 50% or more of its annual revenue from providing goods and services to the field of business aviation. Please proceed to the Associate Member dues calculation.

Corporate Membership: (If you are able to check all the boxes in this section, you qualify for Corporate Membership.)

- Your organization owns or operates a multi-engine aircraft and/or a single engine turbine powered aircraft.
- Each pilot and/or crew member undergoes recurrent training and a proficiency check at least once per year.
- An operations manual and a maintenance program are employed.
- When passengers are aboard, each multi-engine or single-engine turbine powered aircraft must be flown by two professional pilots employed directly or through a contract/lessor operator. One pilot must have a currently valid air transport rating, and the other pilot must have at least a currently valid commercial license and a currently valid instrument rating.
- Your organization owns or operates an aircraft registered in the U.S.

If you are unable to check all of the boxes listed under Corporate Membership, please continue to Business Membership.

Business Membership: (If you are able to check all the boxes in this section, you qualify for Business Membership.)

- The pilot(s) must have at least a currently valid pilot's license and a currently valid instrument rating.
- The pilot(s) undergoes proficiency training at least once per year.
- Your organization owns or operates an aircraft registered in the U.S.

If you would qualify for Corporate or Business Membership, except that you operate aircraft registered exclusively outside of the U.S., please call NBAA or visit www.nbaa.org/dues for Affiliate rates.
